- Students should have two (2) pairs of comfortable athletic shoes for gym class. One pair for inside the gym and one pair to wear outdoors. Students also need a pair of protective sports goggles for gym.
- Students should have comfortable clothing in school to participate in outdoor activities; this includes a jacket or sweatshirt for cooler weather.
- Students will need a jacket, hat, mittens, snow pants and boots for outdoor activities during the winter months.
- A sled or saucer *(for sliding on our hills)* is highly encouraged during the winter months.
- Families are welcome to send disinfecting wipes and hand sanitizer for use in common areas.
