RESIDENTIAL LIFE

Making Saint John's Prep Home

WHERE YOU WILL FEEL AT HOME

RESIDENTIAL LIFE

At the heart of Saint John's Prep, is a close-knit residential community. Our residential life program promotes the health, safety, and educational advancement of our community by creating an environment that educates the mind, shapes the character, nurtures creativity, and fosters the well-being of each student.

Our residence halls provide an environment where students can develop lasting relationships, discover their passions, develop and grow their talents, and learn to take intellectual risks.

CAMPUS CONNECTION

Through our unique location on the campus of Saint John's University and partnership with College of Saint Benedict, our students have access to facilities on both campuses.

RESIDENCE HALLS

As the place where we begin to build community, Saint Michael Hall (boys' residence) and Emmaus Hall (girls' residence) are home to our boarding and international students in grades 9-12. These residence halls host social events and include both single and double rooms, study areas, free laundry, kitchens and plenty of storage space for bikes, skis, and other recreational equipment.

RESIDENCE HALLS ARE STAFFED BY FULL-TIME, COLLEGE-EDUCATED ADVISORS.

ACADEMIC LIBRARIES

Both the Saint John's Prep and Saint John's University libraries support the development of critical thinking, personal inquiry, creative expression, and lifelong learning.

Students have access to rich collections, expert assistance, and effective learning spaces right here on campus.

ATHLETICS & RECREATION

Resident students stay busy with supervised use of the fitness center, swimming pool, basketball/volleyball courts, racquetball courts, indoor climbing wall, indoor/outdoor track and tennis courts.

In the warmer months, students can spend time on Lake Sagatagan swimming at the beach, canoeing, kayaking, paddle boarding, or cycling around the lake. The winter months are a great time to take advantage of the sledding hill, ice fishing, or snowshoeing through the woods surrounding our campus.

STUDENT DINING

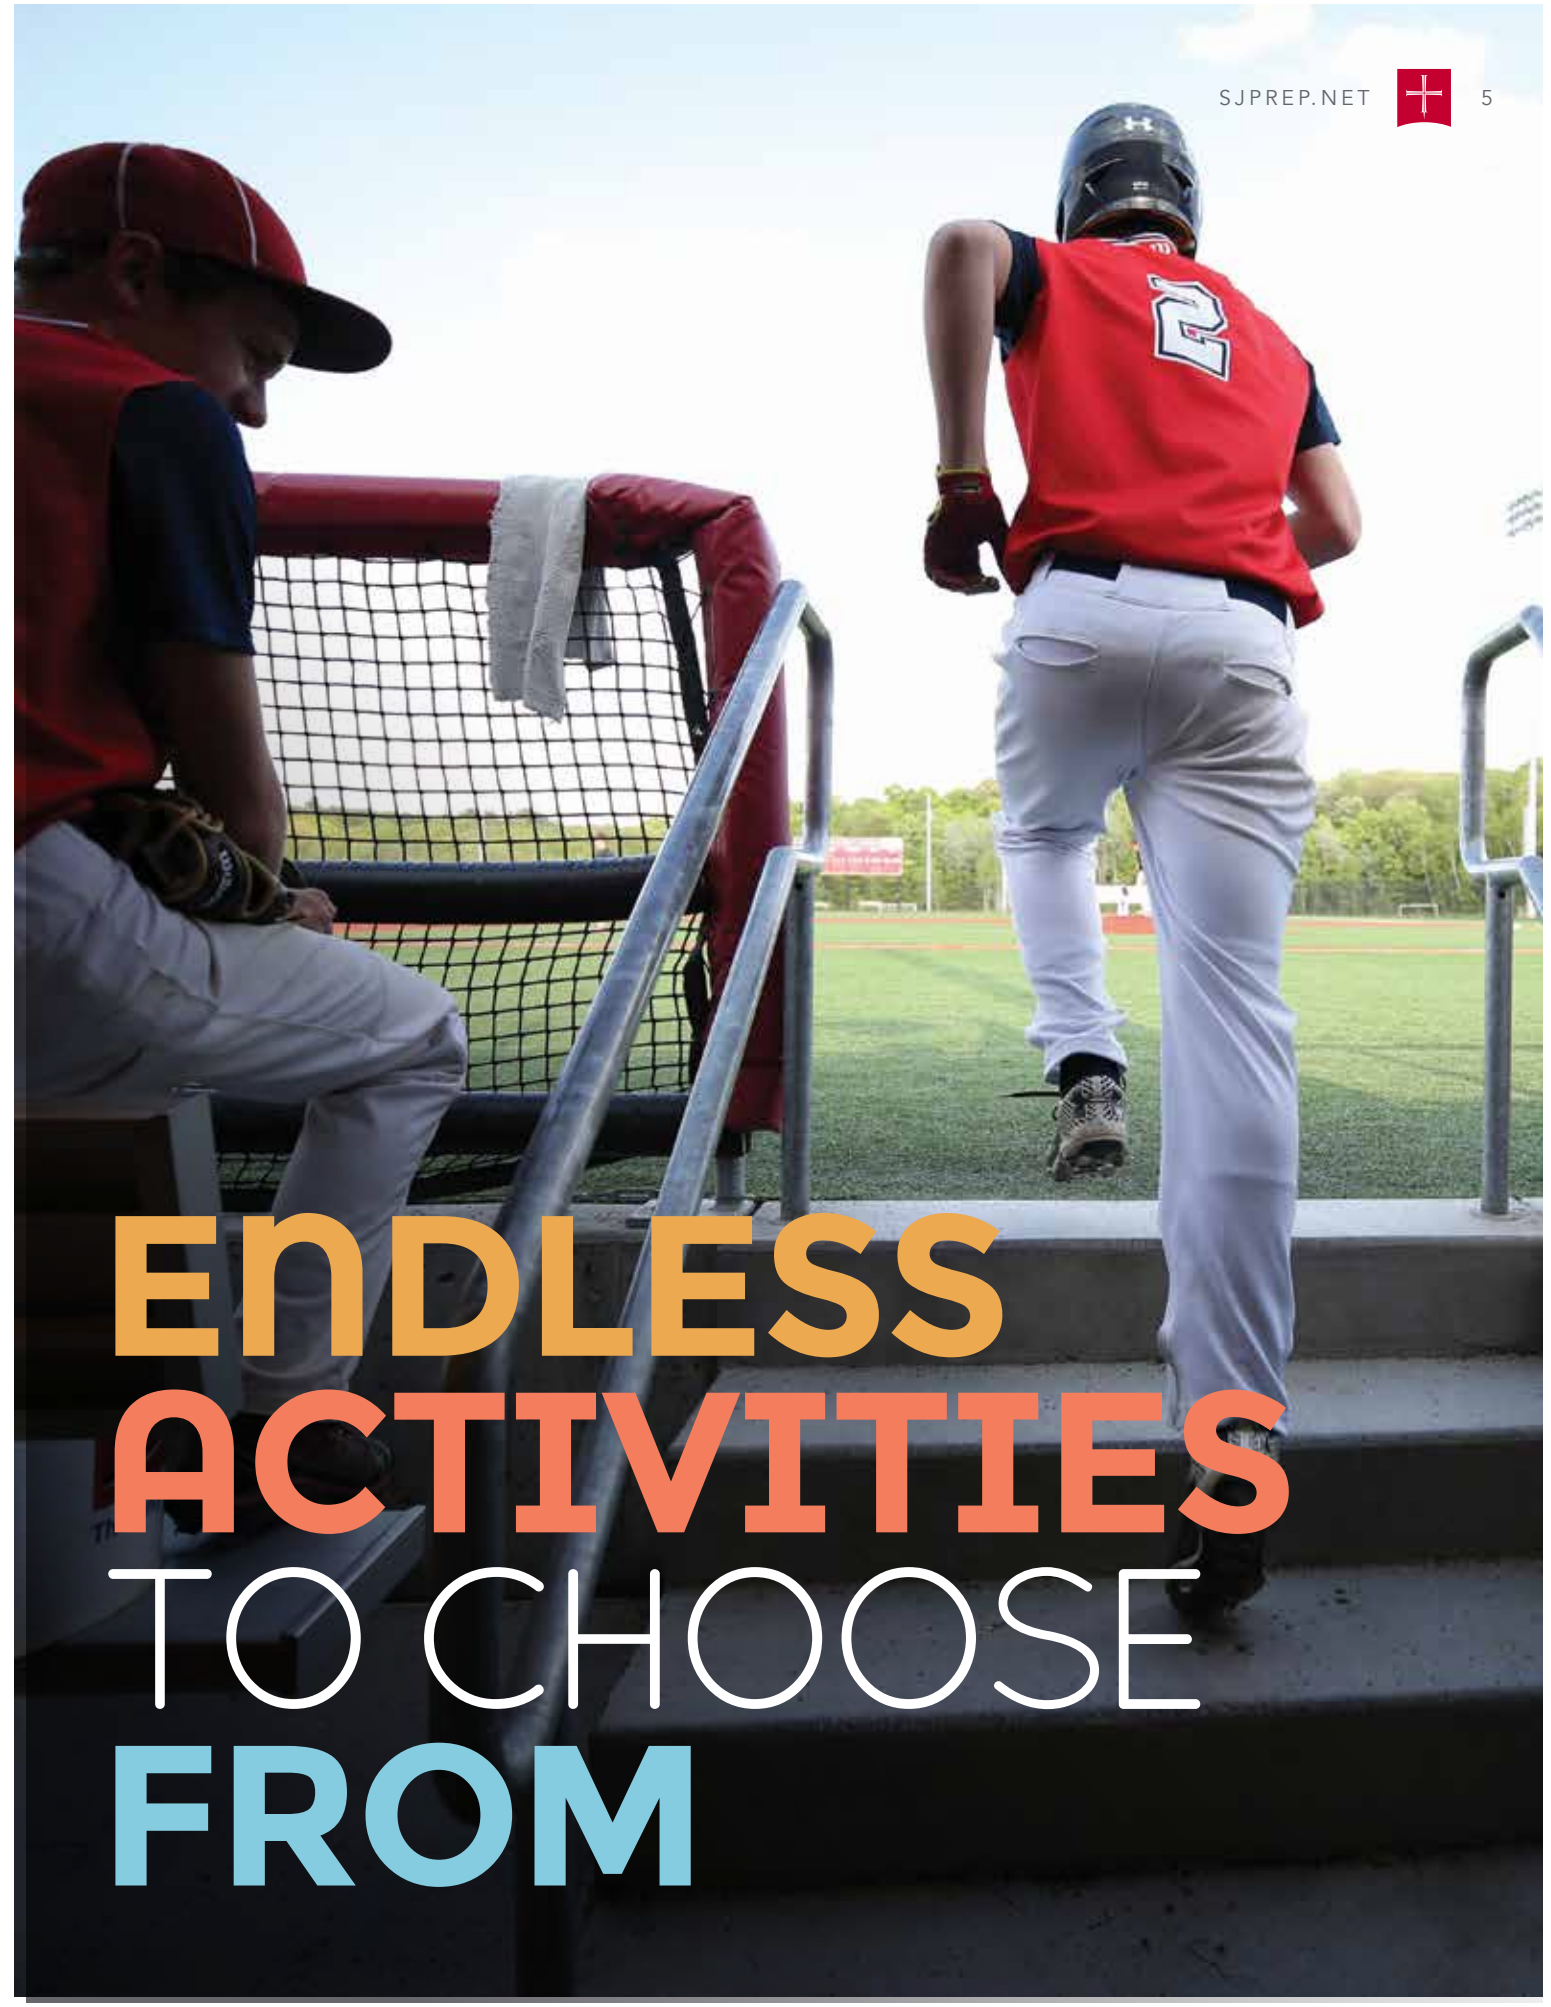

With four unique on-campus dining facilities to choose from, our students enjoy a variety of cafeteria and a-la-carte dining options. Students are also allowed to order in their local favorites.

ACTIVITIES

All students are required to participate in extracurricular activities for their physical and social development. Saint John's Prep has over 40 clubs and activities to choose from, including music, theater, visual arts, and 19 competitive Minnesota State High School League athletic programs.

STUDENT SERVICES

COLLEGE COUNSELING AND PREPARATION

Students meet with a college counselor to guide them in the college admission process, assisting with college search, application preparation, and institution selection. There are opportunities for ACT, SAT, and TOEFL test preparation throughout the school year, and transportation is provided to local testing sites.

IMMIGRATION SERVICES

Students receive immigration guidance and support prior to arriving at Saint John's Prep until they graduate and move on to the college of their choice. Immigration forms are monitored and updated for SEVIS each semester for enrollment verification, travel, change of status, and final transfer for all students on an F1 Student Visa.

INTERNATIONAL STUDENT COUNSELING SERVICES

International students have a dedicated counselor who works with them and their parents as they navigate the college search and application process.

Additionally, the international counselor works to ensure that a student's personal and academic needs are met and their transition to the U.S. goes smoothly.

ON-CAMPUS HEALTH CLINIC AND SERVICES AVAILABLE

PEER MINISTRY AND SERVICE PROGRAMS

100%
OF STUDENTS WHO APPLY ARE ACCEPTED TO 4-YEAR COLLEGES OR UNIVERSITIES

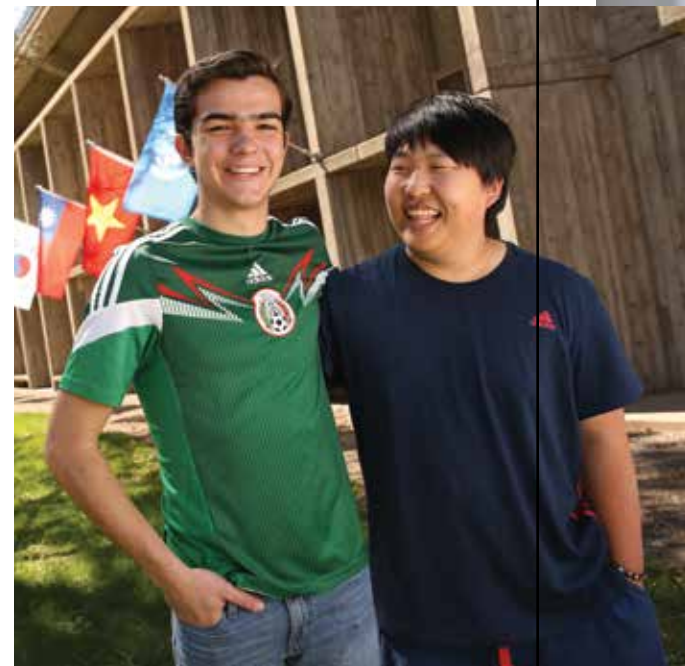

ENGLISH LANGUAGE SERVICES (ESOL)

Both intermediate and advanced ESOL classes are offered for international students. The courses use motivating and relevant multimedia content aimed specifically at teenage learners to advance the listening, speaking, reading, and writing skills necessary for intercultural communication and cross-curricular academic success. In addition to our regular ESOL classes, we also offer tailored individual and small-group tutoring to help ESOL students meet the demands of studying in mainstream classes by focusing on the subjects and language skills they find most challenging.

MAKE EVERLASTING FRIENDS

24 HOUR HEALTH, SAFETY AND SECURITY SERVICES

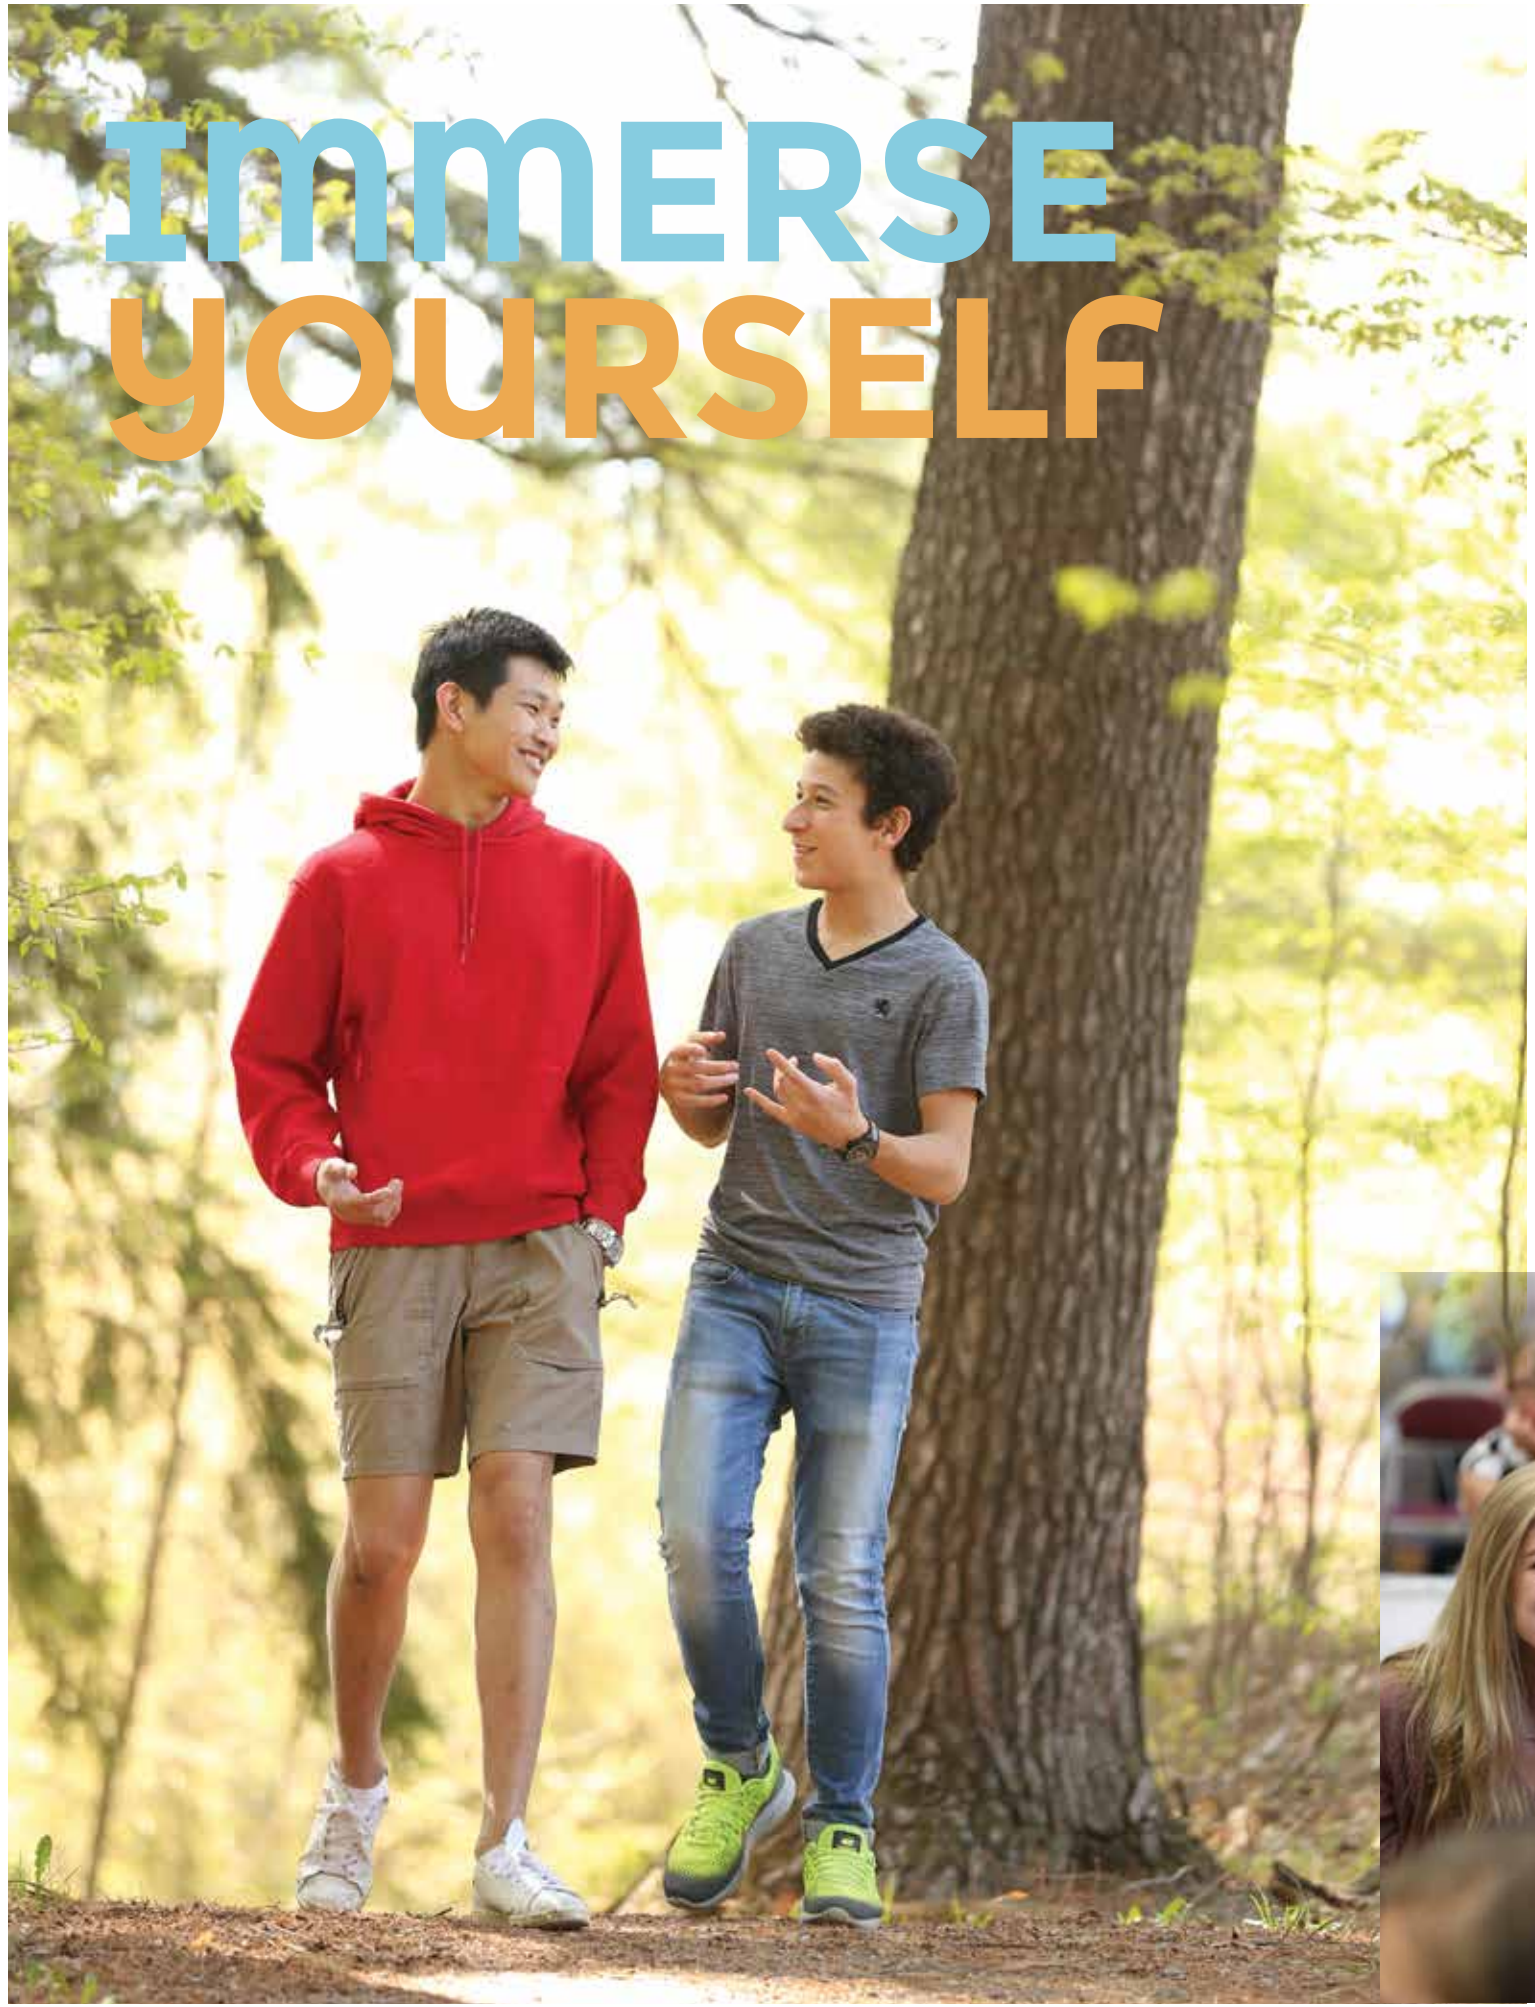

SAFETY AND SECURITY

In partnership with Saint John's University, our students have access to security and medical services 24 hours a day, 7 days a week from Life Safety Services. Campus patrol, emergency medical response, and a 24-hour escort service are just some of the services provided.

TRANSPORTATION

Our full-time, dedicated residence hall staff, are available to transport students as needed. Transportation to medical appointments, standardized testing sites, and local food establishments is available. A shuttle service makes regular stops to campus, an added convenience for transportation to the airport. Busing is also available to a variety of locations.

IMMERSE YOURSELF

SENSE OF **community**

WEEKEND ACTIVITIES

When our students are not busy studying, they have opportunities to enjoy a variety of on and off campus activities. We are just minutes away from shopping, restaurants, entertainment, and more.

DIVERSITY

Our vibrant student body is made up of day, domestic boarding, and international students from around the United States and the world. Approximately 25% of our student body consists of international students, representing between 10-15 different countries.

EXTENDED BREAKS

Traditionally, our students return home or travel with their families during the winter and summer breaks. There are other times throughout the year that the residence halls are closed, and other activities are organized for students unable to return home. Based on student interest, past trips have included Chicago, San Diego, New York, Boston, and Orlando. Students are also encouraged to stay with a local family to experience more culture during these breaks.

LEARN FROM THE BEST

PEER MENTORS

All first-year students participate in the Peer Mentor Program and are paired with a current Saint John's Prep student upon enrollment. Peer Mentors serve as a resource for new students and families as they transition into life at Saint John's Prep.

ORIENTATION

We offer a full orientation program for students and their families in the days leading up to the first day of school and beyond. During this program, students meet new friends, get familiar with campus, and begin building lasting relationships.

 COLLEGE CLASSES AVAILABLE

 COMMUNITY INVOLVEMENT

SCHEDULE

A typical Saint John's Prep school day sees students attending classes from 8:00 a.m. - 3:10 p.m., participating in athletics and after-school activities from 3:00 - 5:00 p.m., followed by free time until a mandatory study time at 8:00 p.m. Required check-ins are scheduled throughout the day.

TRULY A PLACE THAT IS BEYOND ORDINARY

BEYOND ORDINARY

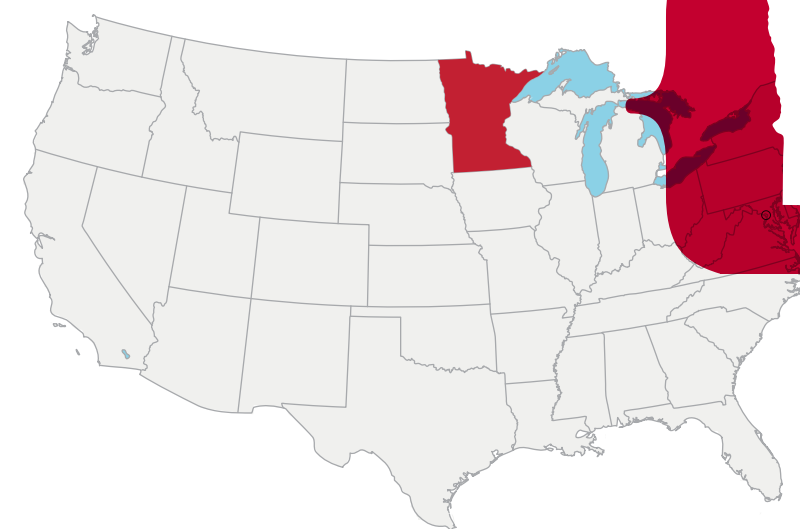

Saint John's Prep is an independent college preparatory school guided by Benedictine values. Students in grades six through twelve from diverse backgrounds immerse themselves in a learning environment surrounded by the natural beauty of our pristine woods and lakes shared with Saint John's University.

Students will be challenged to engage deeply in learning; foster and participate in an inclusive community; and grow into adults who are intellectually adventurous, ethically sure-footed, and generous of heart and spirit. Students will believe in themselves, aspire to greatness, and view the world with a global perspective.

Saint John's Prep is a recognized International Baccalaureate (IB) World School through the IB Diploma Programme – an optional two-year program of rigorous study during a student's junior and senior years. Students study in six academic areas: language; second language; mathematics; science; individuals and society; and the arts.

INTERNATIONAL BACCALAUREATE (IB) DIPLOMA PROGRAM

CENTRALLY LOCATED NEAR THE BEAUTIFUL LAKES AREA OF CENTRAL MINNESOTA

Saint John's Prep is located on the western edge of the Saint Cloud, Minn. Metropolitan area (pop. 120,000), on the campus of Saint John's University. Minneapolis/Saint Paul is only a 70-mile drive to the southeast via interstate 94.
