

## Prep2Prep Campus Visit Incentive Program

We know that the single most effective way to attract more families to Saint John's Prep is through referral by satisfied families. The Prep2Prep program rewards community efforts to bring more families to our school community. THANK YOU for your choosing Saint John's Prep for your child, and we are deeply grateful for your continued support!

Here's how it works:

1. Complete the current family portion of the campus tour referral form, detach it and give it to the new family interested in SJP.
2. Direct the new family to our website to register for a tour at [www.sjprep.net/visit/prep-visit-days](http://www.sjprep.net/visit/prep-visit-days)
3. Request the new family complete their portion of the form and bring it with them when they come for their visit.
4. For each new family that comes for a Discovery Day or campus visit, your child will receive \$10 in Snack Bar Bucks to use during the school year. Or, trade your SBB for a Saint John's Prep t-shirt!

For additional program details, please visit [www.sjprep.net/prep2prep](http://www.sjprep.net/prep2prep).
