

## **Upper School Update and Supplies List 2022-23**

Traditionally our upper school students do not have a required school supply list. Each student is asked to come to school on the first day with a few notebooks, pens and pencils. Each teacher will share what supplies are needed for each individual class.

### **Label Your Items!**

It is very important to label all of our belongings. Please put your name on as many items as possible with your student's name. Jackets, hats, lunch boxes, pencil pouches, gloves and other gear should be labelled. Headphones and earbuds are the most misplaced items at Prep- please make sure to label yours with your name!

We look forward to the upcoming school year and hope that you are as excited about reuniting on campus as we are. See you on August 24!

**Enjoy the rest of your summer!**
