

## **Upper School 9-12 School Supplies List 2023-24**

Traditionally our upper school students do not have a required school supply list. Each student is asked to come to school on the first day with a few notebooks, pens and pencils. Each teacher will share what supplies are needed for each individual class.

### **Community Items**

We do ask that each Upper School student bring two boxes of tissues and a container of disinfectant wipes to be used in our community spaces. These items can be dropped off in the main office during the first week of school.

### **Label Your Items!**

It is very important to label all of our belongings. Please put your name on as many items as possible with your student's name. Jackets, hats, lunch boxes, pencil pouches, gloves and other gear should be labelled. Headphones and earbuds are the most misplaced items at Prep- please make sure to label yours with your name!

### **Music**

Students who play musical instruments should start the school year with their instrument supplies. (Box of reeds, new strings, rosin, oil, etc.) Please make sure your instrument is in good repair.

If you need assistance discovering a new musical instrument, please contact Mr. Engholm [jengholm@sjprep.net](mailto:jengholm@sjprep.net) for orchestra, or Mr. Jacobson for band [sjacobson002@sjprep.net](mailto:sjacobson002@sjprep.net).

We look forward to the upcoming school year and hope that you are as excited about reuniting on campus as we are. See you on August 23!

**Enjoy the rest of your summer!**
